

# Party Game -Seedling Stage-

2-6 Players / 15-30 Minutes

**Sol Laws**  
3 Sols per Turn  
1 Sol Minimum per Turn  
Unused Sols do not carry over to next turn.

**Winning!**  
First player to have 2 Canopy Trees wins a Habitat.  
First player to capture 2 Habitats wins the game.

## Player Turn

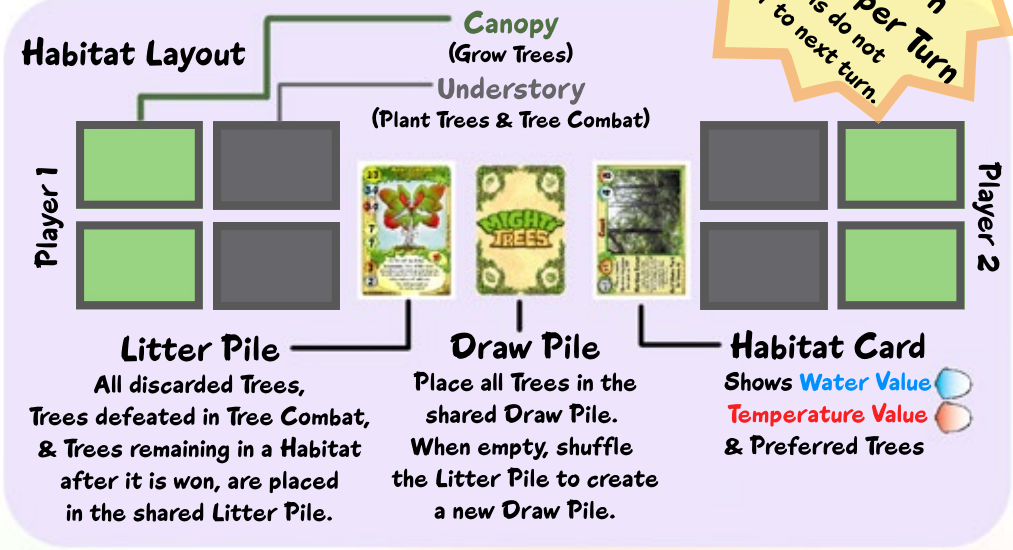

**(Phase 1)**  
**Mobilization**  
Start with 3 Sols

**(Phase 2)**  
**Battle**  
Plant Trees  
Initiate Tree Combat  
Grow Trees  
Discard Trees

The Battle Phase can continue for as long as you have Sols. You must spend at least 1 Sol.

**(Phase 3)**  
**Regroup**  
Draw until 3 Cards are in your Command.

## Next Player

### Planting Trees

1. Pay the Planting Sol Cost (First number)
2. Tree Range for Water & Temperature must contain Habitat values
3. Place the Tree in your understory

Misplanted Trees must be caught before next player's Mobilization Phase or they remain in play.

**Discard Trees**  
Cards may be discarded from a Player's Command, Understory or Canopy for 1 Sol each.

### Tree Combat

1. Trees can only attack when first planted.
  2. Only Understory Trees can be attacked.
  3. Opponent must have at least 2 Trees.
  4. Tree combat is always optional.
- Preferred Trees listed on the Habitat add +2 to their Combat Strength

Use Sun Strength if there are no Canopy Trees. Use Shade Strength if a Canopy Tree present...  
...unless, the Habitat has a Sun Power Symbol, then Tree Combat is always in the Sun

### Growing Trees

1. Your Understory must be full.
  2. Pay the Growth Sol Cost (Second number)
  3. Move Tree into Canopy
- If the Growth Cost is an asterick, it is a Shrub Tree and can not grow into the Canopy...

...unless, the Habitat has a Growth Power Symbol then Shrub Trees can grow into the Canopy for 3 sols.

**Other Stuff:** Sol stands for "Solar Energy" & beads or coins can be used to keep track of them. At the start of the game, each player draws 3 cards from the Draw Pile to make their Command. Tree Combat does not cost additional Sols. For More Info, Videos & Playmats go to: <http://mightytrees.weebly.com/seedling-party-game.html>
